Summer 2023 | Podcast 2 Craft

Make a microphone. Use it to sing praises to Jesus for everything he has done for you. Praising him reminds us to keep trusting him, just like Paul and Silas did.

What you need:

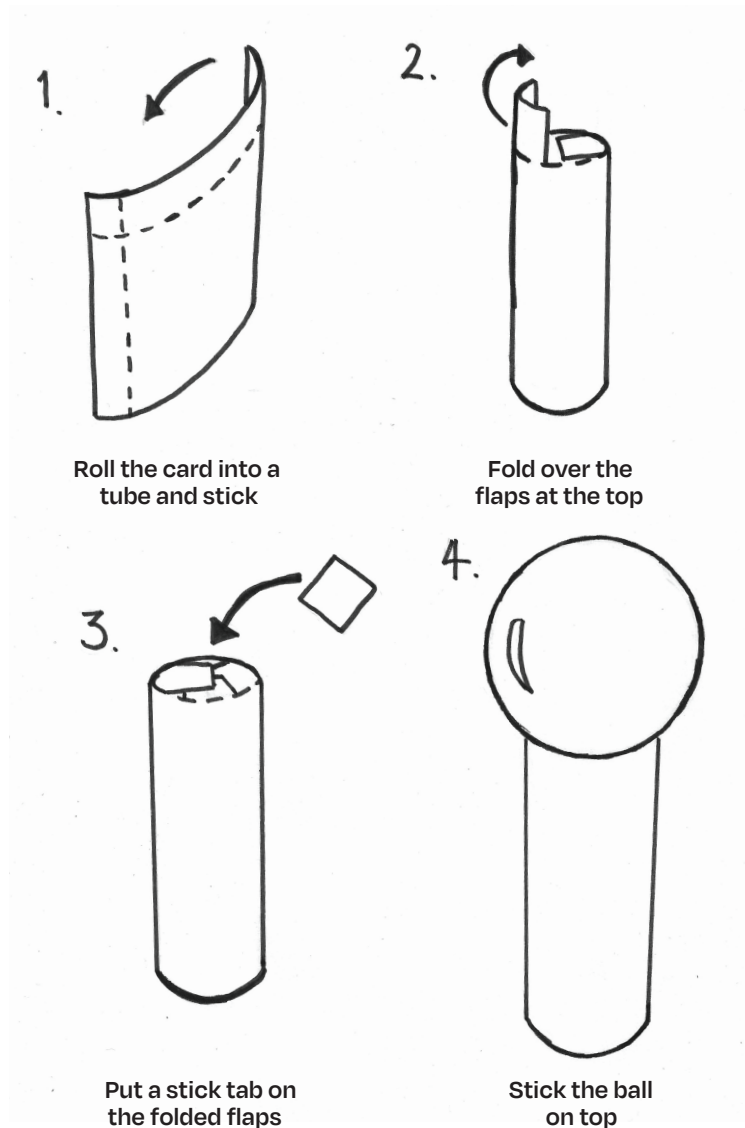

A printout of the following page or a rectangular piece of plain paper / card

Scissors to cut the solid lines to make flaps

A ball (e.g. plastic ball, pool ball or table tennis ball)

Glue or sticky tape to attach the ball to the microphone handle

What you do:

SING PRAISE!

Paul and Silas were praying
and singing songs to God
Acts 16:25
